

“Until Today”

Sitting alone at a table in the corner of my neighborhood café
You walk in and sit nearby
Pull out my favorite book as I was putting mine away.

You look at me and I am still
Ask if I'll stay I say I will
I do not know you
I do not know you

Always thought love was cliché
Common sense says walk away
I do not know you
I never knew how to be loved until today

Conversations lasting hours and hours
Until they're asking us to leave
Even then, we sit on the sidewalk
Is what I don't believe in really happening to me

You look at me and I am still
Ask if I'll stay this way, I will
I do not know you
I do not know you

Always thought love was cliché
Common sense says walk away
I do not know you
I never knew how to be loved until today

I'm scared to admit that I am falling hard into his blue eyes
But I'll trust it on a whim
That I could, I could, I could love him.

You look at me and I am still
Ask if I'll love you, I say I will
I may not know you
But I want to know you

Always thought love was cliché
Common sense says walk away
I do not know you
I never knew how to be loved

Always thought love was cliché
Common sense says walk away
I do not know you
I never knew how to be loved until today.
